

Playback Wing 4

Wings & Widgets

#61040060

The Playback Wing 4 provides ten additional faders plus one Grand Master, all motorized. The Hog 4, Full Boar 4, Road Hog 4 and Hog 4 PC software all benefit from the additional playback hardware the Playback Wing 4 offers. It uses the same high quality controls as found in the Hog 4 range of consoles, ensuring responsive and reliable operation. One Hog LED desk light is supplied, fully dimmable and software controllable. A 15.6-inch touchscreen is integrated in the wing allowing you to expand your console using one integrated unit.
