

## **SolaFrame Theatre**

**SolaFrame Series** 

#H7010030

SolaFrame Theatre is the industry's first automated LED luminaire to deliver completely silent operation. Engineered with no fans, SolaFrame Theatre features a special high-CRI Bright White LED engine. The fixture delivers 15,000 field lumens and features our full-frame shuttering system. SolaFrame Theatre is a natural fit for designers that work in theatres and other venues where fixture noise is simply not acceptable.
