

Master Wing 4

Wings & Widgets

#61040062

The Master Wing 4 is equally at home next to a big Hog console or as part of a Hog 4 PC system. It provides 30 additional faderless playback capabilities for the Hog 4, Full Boar 4, Road Hog 4 and Hog 4 PC software. It uses the same high quality controls as found in the Hog 4 range of consoles, ensuring responsive and reliable operation. One Hog LED desk light is supplied, fully dimmable and software controllable. A 15.6-inch touchscreen is integrated in the wing allowing you to expand your console using one integrated unit.
