

SolaFrame 1000

SolaFrame Series

#2570A1200

SolaFrame 1000 is the new go-to automated workhorse framing fixture for lighting designers. With 20,000 lumen output, full framing shutters, rotating and fixed gobo wheels, multiple color systems, 12° -40° zoom, animation effects plus all the bells and whistles required by the modern LD, the SolaFrame 1000 is a star performer in all professional production environments. Available in Ultra-Bright and High CRI versions, SolaFrame 1000 ships with a TM30 Filter that boosts the Ultra-Bright Engine to 85+ CRI. Other features include Iris and Light Frost, Rotating Prism and High End Systems' patented Lens Defogger System.

Features

- White LED Engine
- 480W Ultra-Bright engine producing 20,000 field lumens or aHigh CRI Engine featuring incredibly accurate color rendering
