Wall Washer 36 RGB

xFocus Wallwasher Series

#XF36VCRGB

The xFocus Wall Washer is our most popular fixture. Key features include compact, sturdy lights in a functional casing, and superior quality electronics. All fixtures in this series are flicker-free thus they can be used when shooting video. A series of built-in programs simplifies the use of up to 40 units at a time. The xFocus series uses high performance new generation diodes for increased light intensity. These light fixtures are available with RGB diodes producing rich and saturated colors. Its rugged casing makes it the perfect choice for tours or special events. The shape of the chassis also offers excellent heat dissipation, thereby increasing the lifespan of the diodes.

Applications

Architectural lighting
Shows and events
Decorations lighting
Backdrop, cyclorama
Truss warmer
Bars and clubs
Backstage lighting
Strobe light

36 LED

12 red | 12 green | 12 blue
