

SolaPix 37

SolaWash Series

#TBD

With its medium-sized footprint and unprecedented next generation brightness, SolaPix 37 takes the traditional concept of a pixel wash and pushes it to its maximum potential. Whether used to spread color all over a ballroom, tradeshow floor or concert stage, the bright and punchy output will envelope your production with beautiful saturated color. Additionally, when you need to add a little interest, the fixture's narrow zoom, FleX Effects macros and pixel controlled face gives you a wide variety of looks and styles to help set the mood and steal the show.

Features

- Additive LED, RGBW color mixing system for extremely powerful saturated colors and tunable white control
- Extremely efficient optical system provides market leading lumens
- Versatile 4.5° – 60° zoom
- Patent Pending Holographic Pixel Definition*
- FleX Effects Engine
- Macro control
- Complete Pixel Mapping
- Patent Pending lens coating technology*
- Modular control with Artnet, sACN in addition to simultaneous DMX control
