

USB DMX Super Widget

Wings & Widgets

#74040008

The USB DMX Super Widget provides four universes of DMX-512 output from any Hog 4 console or Hog 4 PC. Up to two DMX Super Widgets may be connected at once via a USB Hub to provide eight full universes of DMX-512 to the Hog 4, Full Boar 4 and Hog 4 PC. Only one USB DMX Super Widget can be connected to the Road Hog 4. With Hog 4 PC, attaching USB DMX Super Widgets also unlocks the corresponding universes of Art-Net and sACN.
