Touring G2 4.8mm
xVision Touring G2 Series

\#

Unique features:
Innovative and exclusive angle curving system
Modules protected in handling thanks to exclusive design
Anti-drop hook for one-man operation
Front service module & power supply access
Calibration data stored on board modules

LED

Pixel configuration

SMD 3-in-1

LED Package

SMD 1921 Blackface

Luminance

4 200 nits

Contrast ratio

5 000:1

Lifespan

70 000 hours

LED Series

Nationstar RS Series

Colorimetry

Wavelength, Red

620-625 nm

Wavelenght, Green

523-528 nm

Wavelenght, Blue

470-472 nm

Processing

Refresh Rate

3840 Hz

Grayscale Depth

14 Bits

Driving Mode

1/8 Scan

Video Frame Rate

60 Hz

Mechanical

Width

500 mm [19-11/16?]

Height

1000 mm [39-3/8?]

Protection rating indicator

IP65

Weight

17 kg (37.5 lbs)
