

Control Box²

Ref. SB124T-2

Compact solution to easily control your live events with the LiveCore™ series

Manage your multi-screen production with ease

The Control Box² is an ergonomic and compact solution designed to operate your LiveCore™ series remotely with ease and comfort. Thanks to the 99 physical key buttons, Control Box² gives instant access to any of the LiveCore™ presets and embeds a T-Bar for smooth manual transitions. Its illuminated keys are designed for fault-free operation, allowing users to focus on the action and not the user interface.
