

# Shot Box<sup>2</sup>

## Ref. SB80-2

Cost effective solution to easily control the presets on LiveCore™ and Midra™ series

### Recall your presets instantly

The Shot Box<sup>2</sup> is a cost effective solution designed to easily operate your Midra™ or LiveCore™ series switchers in a compact design. Thanks to the 76 physical key buttons, the Shot Box<sup>2</sup> gives instant access to any of the presets configured on the switcher and its illuminated keys are designed for fault-free operation allowing users to focus on the action and not the user interface.

#### Shot Box<sup>2</sup> at a glance

- ▶ 76 function-labeled keys
- ▶ Blue and red backlighting for each key button
- ▶ Compatible with all LiveCore™ and all Midra™ series
- ▶ Includes software for Windows® and Mac OS X®
