

Beautiful tungsten look but now LED!

high quality, perfect and utmost beauty in every detail

from true passion comes great design

At Portman Lights, our aim is to design and create unique stage lighting of remarkable quality that intensifies the experience of any event.

Portman Lights was founded in 2016 as a passion for great design by people associated to the stage for many years. First prototypes of Portman's fixtures were made in 2012.

Our fixtures were used by the most famous, awarded LDs during the biggest concerts, festivals, tv shows around the world.

We work hard everyday in our R&D process to develop new, best quality, beautiful and amazing fixtures.

high-quality dimmers and electronics on board

P1 mini LED

OVERVIEW

- beautiful and high quality
- 5 DMX modes
- 16-bit dimming
- macros + macro control system
- 7 x 3W unique LED filament + RGBW glow
- individual control of each filament and RGBW glow
- 5-PIN XLR connectors
- RDM and W-DMX*
- can be easily installed on a tripod or hung by a clamp

SPECIFICATION

DIMENSIONS

 **63 x 76 x 17 cm**

WEIGHT

 **8 kg**

INPUT VOLTAGE

 **110V-230V 50Hz/60Hz**

COLOR TEMPERATURE

 **1800K + RGBW**

POWER CONSUMPTION

 **max 75W**

DMX CHANNELS

 **5 DMX MODES**

OTHER FEATURES

- **electronics with macros, RDM and W-DMX***
- **built-in display**

COUNTRY OF ORIGIN

- **Poland, EU**

CUSTOMIZE YOUR VERSION

COLOR

 **black (standard)**

COLOR OF REFLECTORS
